Ⓚ Kosher Certification maintains one of the most instantly recognizable kosher symbols in the history of kosher certification.

The Bold Circled K Is Eye-Catching and Symbolizes Kosher, Innovation and Professionalism.

Around the world, consumers know that when they see the Ⓚ symbol on a product label, they are assured that our team has developed a comprehensive kosher program that fully integrates with the manufacturing process, and that they are guaranteed the highest possible kosher standard.

The registered trademark of Ⓚ Kosher Certification stands the test of time; it is broadly understood, easily recognized and universally accepted and respected.

IT'S ALL ABOUT EXPERIENCE

The Ⓚ has led the world in kosher certification, innovation and service since 1935. Integrity and the very highest compliance with kosher standards remain the very foundation upon which we conduct our day-to-day activities in today's rapidly changing environment. We also understand a manufacturer's need to get new products to

market quickly to achieve the greatest success; therefore we have built professional, efficient and responsive processes. Our evolution has never been greater, and every day more and more consumers recognize our symbol of quality, integrity and trust on more and more of the products sold by retailers and distributors.

THE KOSHER DIFFERENCE

From mom-and-pop manufacturers to food giants such as Kraft-Heinz, ConAgra, Snapple and Tropicana,  Kosher provides the highest standard of kosher certification services in the world.

When you choose the  as your company's kosher partner, you receive more than a kosher certificate. Our team stands behind you with a passionate commitment to excellence in kosher and customer satisfaction.

As the world's leading professional kosher services firm, we know that we can help your company gain competitive advantage and we want you to know that it is our mission and commitment to uphold the highest standards of kosher and to be the most productive and competitive kosher service organization in the world. We do everything possible to help make it happen. For further information, please visit www.ok.org.

We want to remind you that products are only endorsed as kosher when bearing the  symbol on their labels. Similarly, eating establishments are only certified when displaying the  mark on an authorized green and gold certificate. Check product labels regularly as changes in kosher status may occur unexpectedly as a result of reformulation. Kosher updates appear regularly on our site and in other media.
